H4975 Courier Boxes (for Private Use/Access)

Curbside Collection Boxes (For Private Use/Access)

WHOLESALE PRICES

Similar to U.S. Postal Service curbside collection boxes, these steel mailbox units make excellent express drop boxes and collection boxes for private use. Bill payments can be deposited, rent payments, returned video cassettes and DVD's are excellent unlimited examples of what our curbside collection boxes can handle. Secure and protected from the weather, this steel mailbox unit is also perfect for night-time deposits. Constructed from heavy gauge steel; welded and riveted for years of reliable use, a commercial lock keeps contents secure.

Specifications and Features

- Constructed of 16 gauge steel mailbox, reinforced collection boxes provide the utmost in security and can withstand severe weather conditions.
- Units are locked by placing a standard padlock (not included) through the steel hasp.
- Curbside Collection Box is available in the following colors: Grey, White, Black, Silver, Gold and Bronze.
- Curbside Collection Box with Snorkel is available in Grey only. Custom colors are available for an additional charge. Custom color green is shown in the photo at right.
- Hopper size: 6 $\frac{1}{2}$ "H x 19 $\frac{3}{4}$ "W
- Locking door: 16"H x 19"W
- Snorkel size: 18"H x 12 $\frac{1}{2}$ "W x 15"D
- For private distribution only.
- Ideal for night depository.

Pedestal Drop Boxes (For Private Use/Access)

If you're in need of private access boxes then take a look at these pedestal drop boxes from National Mailboxes. These private access boxes allow you to keep your mail and packages contained in a sturdy, secure private drop box that is higher off the ground and less subject to vandalism. We can also customize these boxes depending on where you plan to have it placed. These types of mailboxes have a variety of application including schools, business and universities. Call us today for more information at 1-800-676-5161.

Specifications and Features

H4275 Pedestal Drop Box (For Private Use / Private Access)

- Made entirely of aluminum, National Mailboxes H4200 series pedestal drop boxes are available in three different sizes. Model H4275 is 15 $\frac{3}{4}$ " W, Model H4276 is 23"W and Model H4277 is 30 $\frac{1}{4}$ "W. All pedestal drop boxes are the same height (27") and depth (19"). Standard units are accessed from the rear through a two-point

latching master door on the H4275 and two master doors on the H4276 and H4277. Each door swings open over 90 degrees for unloading convenience. Standard units include a locking "T" handle (H4290) on the rear door(s), a weather protection hood and a mail flap on the front of the unit. The pedestal drop boxes feature a durable powder coated finish available in three contemporary colors (or primer) and

can be mounted on the optional aluminum pedestal (H4285) or a base of your choice. Custom options (H4280) and custom colors (H4205) are available upon request.
